COMING UP

Read on for a round-up of special events, trips and other exciting moments coming this term and beyond.

AUTUMN TERM 1 2025 AT ALDRIDGE YOUTH FELLOWSHIP

We love welcoming new people at AYF, and our Year 9s this year have been incredible at getting stuck in, leading activities and making YF their own. We have loved seeing how friendships are already starting to grow between the newcomers and the older YFers, who continue to make YF a safe and welcoming place for everyone.

Turn over to read about what we have been up to, and some exciting things that are coming up!

JUST DANCE

Always a popular activity, our first Friday this year was "Just Dance", where virtual on-screen dancers lead us in routines to great tunes!

“No matter how far away you go from him, you can run to the Father” - Kieran

Friday Activities

Our Friday nights start with a group activity, and this term we have enjoyed Just Dance, Speed Friending, Karaoke, Dodge Ball, Murder Mystery and a Rave Night (see photo!).

Thanks to all YFers who have run activities this half term.

Epilogues

Our Friday evenings end with an “epilogue”, with worship led by our band and a talk given by a YFer or leader. This term, we’ve heard brilliant talks from Ylena, Kieran and Sam, who have spoken about worship songs and their roots in scripture.

Other Groups

Student Group has stayed in touch as last year’s leavers get settled into their new universities and jobs. The new Student Group has now started to help prepare our Year 13s for the next stage of their lives.

Kairos runs on a Friday at 7pm, before YF, and is an introduction to going deeper in the bible, faith and discipleship.

Jam Sessions are monthly meet-ups for the band and AV team, and anyone who wants to come and play along. A number of Year 9s have joined the jam sessions and are doing amazingly well!

Coming Up

This term we have our Snow Ball on the 19th Dec, 8pm, in **Church**. Dress up smart and be prepared to dance!

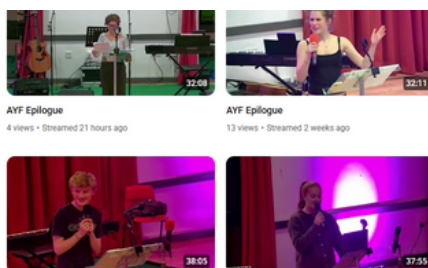

We are also looking forward to our Whitemoor weekend in February - see our website for more details and to sign up.
